

How do SCRIP Gift Card sales help our school?

When you purchase gift cards through MHCLC School,
**you receive the full value of your gift card AND
our school receives a cash donation!**

Examples:

- If you purchase a \$10 Starbucks gift certificate from MHCLC, MHCLC earns \$.70 (7%) AND you redeem your gift certificate for \$10 of food and beverages.
- If you purchase a \$100 Macy's gift card, MHCLC earns \$10 (10%) AND you redeem your gift certificate for \$100 of clothing and home items.

This may not seem like a lot of money raised, but the power of SCRIP lies in our everyday expenditures. Your everyday spending can raise money for MHCLC – no cost to you. Contributions add up quickly over the year!
